Body Contouring Creme  
200ml #0354

Body Buffing Scrub and Body Contouring Creme are your secret weapons in skin-care technology to visibly reduce the dimply effect caused by fat deposits while boosting your skin firmness.

Body Buffing Scrub cleanses the skin and helps accelerate the natural process of exfoliation, allowing fresh, smooth skin to emerge. Using the product in the shower is a perfect way to exfoliate the skin.

Body Contouring Creme softens and smoothenes dimpled skin through exfoliation. Gently rub this fresh-smelling creme into those unsightly areas to help improve the firmness of your skin. Applying this product in the morning and evening helps improve the skin's elasticity and reduce the orange-peel look of skin.

For optimal results, use Body Buffing Scrub and Body Contouring Creme, together. And to enhance the effects of these products, use Cell-U-Loss™ on a daily basis. This unique vitamin formula is designed to help improve the body's fluid balance.\* Make Body Buffing Scrub, Body Contouring Creme and Cell-U-Loss™ part of your regular beauty routine, and you'll have the confidence to grin and bare it!
