Help assist the body's fluid balance

Cell-U-Loss™ is a unique vitamin, mineral and herbal formula that is designed to assist the body's fluid balance. It's loaded with vitamin C, an essential vitamin with antioxidant activity, and potassium, a vital mineral that is often lacking in calorie-restricted diets.

Contains vitamin C, an essential vitamin with antioxidant activity, potassium, a vital mineral often lacking in calorie-restricted diets and a combination of natural herbs, Cell-U-Loss™ is safe and natural. It is also a convenient way to flush out excess water and toxins.

Cell-U-Loss™ works even better when combined with Herbalife's Body Buffing Scrub and Body Contouring Creme to tighten and smooth the outer surface of the skin, and Herbalife's ShapeWorks™ Weight-Management Programme to facilitate a low-fat, nutritional regimen. With all this support, you can hit the beach or pool this year looking trim, toned and feeling great without drastic cosmetic procedures.

Discussion Points

- **Let nature in:** Instead of opting for expensive and painful liposuction surgery, let nature take its course with Cell-U-Loss™ to help reduce the appearance of dimply skin.*
- **A slimmer, smoother you:** Cell-U-Loss™ reduces fluid accumulation, an effective way to lessen the appearance of dimply skin by smoothing out the rippling effect.*
- **Battling dimply skin inside and out:** Cell-U-Loss™ works well with Herbalife's Body Contouring Creme and Body Buffing Scrub, which tighten the outer surface of the skin.
- **Combine with other products:** Cell-U-Loss™ can be used in conjunction with the ShapeWorks™ Weight-Management Programmes and Herbalife's entire line of nutritional products.

Did you know?

The truth about dimply skin is that it can affect even the most slim and trim body. Regardless of age, weight or even gender many people develop a dimpling of the skin, a problem so persistent that even a balanced diet and regular exercise cannot completely make it disappear. And once it occurs, cellulite is impossible to hide.
